

Adult Dance

Instructors: Juanita Pavlick, Myrna DeAsis and Gail White, these instructors began dancing together as students at The Parks and Recreation Department under the beloved Miss Edith Kalin. Since then, they have remained together to further their love for dance. Collectively, they have decades of dance experience.

Adult Ballet

This class is for anyone who loves to dance but does not want to pay an expensive studio for private lessons. Ballet is a wonderful way to help tone, stretch, and relax tired muscles that may not have been used in a while. This class will focus on the basics of ballet, students are encouraged to have some prior experience, even if it was years ago. Wednesday nights are basic ballet skills, and Saturdays are pointe work and choreography. Students will have opportunities to perform their skills at various community events if they choose.
